

**GIFTED RESOURCE COUNCIL  
LINDA McCALL MERIT SCHOLARSHIP  
APPLICATION PROCESS**

One student (current grades 6th – 8th) will be selected annually to receive the Linda McCall Scholarship to Advanced Space Academy. This student will be selected on the basis of demonstrated academic talents and interest in space science. This is a **merit scholarship** supported by the Board of Directors of Gifted Resource Council.

Application procedure:

1. Complete basic application for Advanced Space Academy, including a \$25 deposit.
2. Submit a copy of most recent standardized test scores (such as ERB, Iowa, MAP, WISC, etc.)
3. Submit an essay (maximum of 250 words; in your own handwriting) explaining in your own words why you wish to attend Advanced Space Academy and why you should be chosen for this merit scholarship.
4. Submit all data no later than April 30, 2024. (However, earlier is better.) The board will vote and award the scholarship at their May 2024 meeting.
